To My Friends and Patrons:

Another year has rolled around and I am sending you this, my 1953 catalog, with my very best wishes for your success in farming and gardening in 1953. Last year was a remarkable year in many ways. Never before in all my many years of experience did the potato grower do so well. Increased cost of labor, machinery and material kept the profits down but we should all be thankful.

We have had many good reports from those who used our Seeds and Plants last year but only a few sent us any pictures. Why not send us one or two this year.

Our Strawberry Plants for 1953 are the finest we ever had and also our 2 year old Mary Washington Asparagus Roots. Try some of them this year and get started on two of the best items grown from the soil.

Our Sterling Lawn Grass Seed is mixed here at the Farm from the very best grade of seed that can be purchased, weed free and of high germination and is especially blended for our Long Island soils.

Be sure to top dress your lawn twice a year for best results and feed your trees and shrubs once a year.

Thanking you for your patronage and good will in the past and hoping to hear from you in 1953, I remain,

Yours for the best in Seeds and Plants,

Ralph W. Sterling

1953 PHOTOGRAPHIC CONTEST

- \$5.00 for the best picture of your vegetable garden,
- \$5.00 for the best picture of your flower garden and,
- \$1.00 for each of the next 5 best pictures of flowers or vegetables.
- \$15.00 in prize money in all.

All pictures must be in black and white. Pictures in color will not be allowed in the contest. Pictures, in order to be judged, must be submitted by October 15, 1953. All pictures submitted become the property of Ralph W. Sterling and are subject for use in this catalog. No pictures will be returned.

You may send in as many entries as you wish but send only one print of each entry.

Mr. Fred Stoffel, photographic specialist of the Academy Printing Enterprises, Inc. of Southold, will be the judge, and his decision will be final.

DIRECTIONS

By carefully reading and observing the following directions, mistakes will be largely avoided and your order can be filled more promptly.

Please use the enclosed Order Sheet and self-addressed envelope if possible. If you need more, let me know and I will be glad to send more to you.

Write your name, address and shipping directions plainly.

Always send the cash with your order, unless otherwise agreed upon. Money may be sent by P. O. Money Order, Bank Draft or Registered Letter. Stamps may be sent for amounts under \$1.00, but be sure to put in three-cent stamps, wrapped in waxed paper.

We pay the postage on all seeds sold by the pkt., oz. and $\frac{1}{4}$ lb. Quantities over that are priced net, to be shipped Parcel Post, freight or express, at purchaser's expense, unless otherwise stated.

If you desire your seed sent by Parcel Post, add 17c for the first lb. and 3c for each additional lb. of your order, allowing 3 lbs. extra for package. For amount of postage on plants see Plant Department. These rates are for anywhere on Long Island.

By pricing my seeds net, postage extra, you get your seeds delivered for less money than if I quoted a Postpaid price as the 17c per lb. extra would have to be counted in and added to each single lb. priced.

$\frac{1}{2}$ lbs. will be sold at lb. rates; $\frac{1}{2}$ bu. at bushel rates.

No charge is made for packing or packages.

NOTE — In all orders received before April 1st we include trial packets of different kinds of seed, the number of packets depending upon the size of your order. If you find any of these of particular value, we would be pleased to hear of it.

If you cannot use this catalog or receive more than one, will you kindly pass it on to someone interested? Thank you.

NOTICE—I give no warranty, express or implied, as to the productiveness of any seeds, bulbs, plants, shrubs or trees sold by me, and I will not be in any way responsible for the crop. My liability in all instances is limited to the purchase price.

GRASS, CLOVER AND ALFALFA SEED

Prices liable to change without notice. Grass seed of highest quality is still high in price. Terms strictly cash.

I make my prices just as reasonable as is possible consistent with the quality. It is the very last fraction of 1% in purity that costs money. I believe that it pays big returns, too, as it is truer in seeds than anything else that "the best is none too good."

If your land is sour and Grass and Clover does not do well as a rule, a little lime sown on top of the ground and harrowed in before sowing the seed would be a great help. Why not have your soil tested?

Ask for special price on 100 Lb. lots.

LAWN MAKING

Our Lawn Grass Seed is mixed from the very best grass seed, re-cleaned and free from weeds, and we sell many hundred pounds all over Long Island, as there is no better grade seed on the market.

Loosen the soil in which a new lawn is to be made to a depth of at least five inches, and lighten it with humus, compost or manure if it is heavy and inclined to bake. Apply fertilizer liberally, either Sheep Manure, Bone Meal or both. Use Vigoro on established lawns in early Spring and early Fall. Peat Moss is a very good soil conditioner for lawns.

Sow in the early Spring when cool weather and ample rainfall will insure complete germination and a good start for the seedlings before hot dry weather comes. If seeding must be delayed, special precautions must be taken to prevent the ground drying out. Early Fall is a very desirable time to seed, if moisture is sufficient.

See that the seed is well covered. Rake it into a new seed bed and roll so that the soil is firmed over the seed. Where seed is sown on an old lawn, always cover it with a top dressing of Peat Moss or soil and rake in. Seed thrown on the top of hard ground has no chance to grow and will merely wash off. Fertilize well after seeding.

No Timothy or Rye Grass is ever used in our Lawn Grass Mixtures.

JAPEDIZER

Kills the grubs and feeds the grass. Use 10 Lbs. Japedizer per 1,000 square feet and water it in well. Afterwards loosen soil of bare and thin patches and re-seed. Japedizer kills the grubs, spreads the Milky Disease in the beetles and fertilizes the grass.

Riverhead, April 26.

I have been trying to get down to your store for two weeks and want 10 lbs. of Sterling Lawn Grass. I bought Sterling Lawn Grass seed last year and sowed it in my cemetery lot in Riverhead. I took good care of the grass and this year that is the best looking plot in the cemetery. I have already mowed the grass once. — C. P.

GERANIUMS

We have a fine assortment of Potted Geraniums this year. Large, strong plants in bud and bloom.

ATOMIC RED. Salmon red, white center.

BETTER TIMES. Beautiful dark red. Very striking.

IRVINGTON BEAUTY. Fine clear pink. Most popular.

LA FAVORITE. Double white.

Last year you sent me a packet of mixed annual flower seed. I wish you could have seen how beautiful they bloomed for me. Have a path through the center of vegetable garden and sowed that seed along the sides. Have seen pictures in magazines and I always thought they were exaggerated but they were nothing compared to the beauty of that 100 ft. row and they did not bloom for just a few weeks but until killed by frosts. — M. P.

GERANIUMS — Continued

LA FRANCE. Light pink. Double.
 MARTHA WASHINGTON or PELARGONIUM. 4 colors.
 PANSY. Purple and white pansy-like blooms.
 PINK FIAT. Bright salmon pink.
 PINK OLYMPIC. A new compact pink.
 MONSELL BEAUTY. Light pink. Profuse blooming.
 RADIO RED. Bright red. Good bloomer.
 S. A. NUTT. Rich dark crimson.
 SUPER RICARD. Bright red. Free blooming. New.
 VARIEGATED. Green and white leaves. Red blossoms.
 IVY. A trailing Geranium with red, white or pink blossoms.

Priced at 40c to \$1.50 each, \$4.00 to \$8.00 per dozen, according to size and variety. Pelargoniums in several shades of pink and red, also a beautiful white, and Pansy Geraniums from \$1.00 to \$2.50 each, in full bloom for Easter.

SPRING BLOOMING BULBS**TULIPS, NARCISSUS, HYACINTHS, CROCUS, ETC.**

We expect to have a good supply of Spring flowering bulbs in the Fall, and will be pleased to book your orders for Fall delivery. Prices will be right for No. 1 sure blooming bulbs. Will have a nice display in the Spring of flowering bulbs in bloom. Come look them over. Will have Potted Hyacinth and Tulip bulbs in full bloom for Easter.

Mattituck, N. Y., Dec. 10 — I purchased 12 2 yr. old assorted Blueberry Bushes from you last Spring. They doubled in size and this year I picked 1 pt. of beautiful large berries from each plant. I used 2 bales of Peat Moss and 5 lbs. Aluminum Sulphate on the 12 plants.

Mary Washington Asparagus — See Letter Below

ASPARAGUS ROOTS

Our asparagus roots are nice, large, healthy roots grown from re-selected seed and will make you a successful bed in 1 to 2 yrs. time.

	Doz.	100	1,000
MARY WASHINGTON. Grown from re-selected seed. This kind is the largest, most productive and finest flavored Asparagus yet developed. Very high branching, which makes it the best for cutting green. Rust-resistant.			
One year old roots. Ready to cut in 2 yrs.	\$.35	\$2.00	\$15.00
Two year old roots. Ready to cut in 1 yr.60	3.00	20.00
Three year old roots. Ready to cut this year if set early	1.00	4.00	

We have many thousands of the 2 year old roots. Price on 5 thousand or more 2 year old roots, \$18.00 per thousand.

Set out our Sterling Grown Roots this year, about six inches below the surface of the ground, cover with two inches of soil. As the plants grow up, fill trench with well-rotted manure and more soil, and some good fertilizer on top of that. Do not put fertilizer next to any kind of root or plant if you want them to live. Set your Asparagus Roots out as early in the Spring as possible.

Postage on Asparagus Roots: Please send 20c per doz., 30c per 2 doz., 50c per 100 on 1 yr. old roots. Double that for 2 and 3 yr. old roots.

East Hampton, Nov. 10, 1952

Around the middle of April of this year I bought 200 one year old asparagus crowns from you and planted them in my garden at East Hampton.

You will note from the photographs the luxurious growth that has taken place during the Summer. The rake handle that you see in the picture stands just about 5 feet high.

Note the picture at the top of the page.

Long Island Real Estate

We have many choice lots and plots for sale in this vicinity. If you are interested in Eastern Long Island Real Estate get in touch with me. Call Peconic 6755 or, if no one answers, call Peconic 6621.

I am always willing to act as your agent if you are desirous of buying or selling property in this locality.

I am a Licensed Real Estate Broker and have been buying and selling Real Estate since 1926.

What could be better than a plot of ground that you can call your own and enjoy no matter if the prices go up or down. Owning land is supposed to be the best hedge against inflation.

I have listed for sale the following:

NASSAU FARMS

TEN large lots on Lilac Lane. These lots are clear land and have from 70 to 100 ft. frontage and from 216 to 275 ft. depth. Your choice of any or all of these beautiful lots, some of which overlook Baldwin's Creek and Peconic Bay, at a very reasonable price.

Four large lots on Pine Tree Road. They have about 90 ft. frontage and are over 200 ft. in depth. Would be pleased to show you any of these choice lots.

100 ft. on the north side of Pine Neck Road, with depth of about 200 ft. Nicely wooded.

300 ft. on Bay Ave. 200 ft. deep. 3 lots near the water, covered with large Oak trees. Priced very reasonable.

NASSAU POINT

CARRINGTON PARK. Six large wooded lots in the center of Nassau Point near Horseshoe Cove in Peconic Bay and Wunneweta Harbor. Nos. 421, 422, 423, and 424 are on the east side of Little Peconic Bay Road. These lots have good elevation and each lot has more than 100 ft. frontage on the road.

Lot No. 323 is on the west side of Vanston Road and the east side of Meadow Beach Lane which leads to Horseshoe Cove. This is a beautiful lot and priced very reasonable for the location. Lot No. 413 joins No. 424 on the east and lies west of Haywater Road. This lot would go well with the other four lots if one wanted a large estate, or would sell it separately, if desired. Prices given on request.

DICKINSON'S ISLANDS

Plot No. 1. This plot overlooks Eugene's Creek, is covered with Oak trees and is always cool. There is 489 ft. frontage on Eugene Road and a wonderful view of the water at the south side. There are several nice large lots in this plot and 50 ft. of creek frontage goes with each lot sold.

Plot No. 2. This is an Island and is covered with White Oak and Shadblow. Another small piece of woodland and 50 ft. of creekfront goes with Plot No.2.

Plot No. 3. This plot is right on Eugene's Creek and is connected with the mainland by a foot-bridge. There is a small two room cottage on this island and quite a few White Oaks. A very attractive location and the price is right. 50 ft. on the mainland goes with this plot for your car.

HOUSES, LOTS AND PLOTS

100 ft. Creek frontage at Creekside. This plot goes from Harbor Road to Eugene's Creek and is about half clear land and half woods, a very attractive piece of property, as it is over 500 ft. in depth. The price is reasonable and will be given on request.

15 wooded lots on the water overlooking Nassau Point. About 50 nice lots on Bay Avenue and adjoining roads. These lots are very attractive and there is quite a lot of new houses going up in this development. Would be pleased to quote prices.

5-room house on Eugene's Creek at Eugene Heights. A 5-acre plot with wide frontage on the water and containing $2\frac{1}{2}$ acres of woodland. The house contains 3 bedrooms, living room, kitchen and lavatory. It has a large cellar, hot water heat, garage and other outbuildings. A boat goes with the property. Will sell for less than it cost the owner.

1,000 ft. on Long Island Sound. This attractive plot has good elevation with a wonderful view. Must be seen to be appreciated.

23 acres on Long Island Sound. About the last piece left in that vicinity on the Sound for developing. There is 560 ft. on the Water and about the same on Sound View Road. Ask for prices and more detail on this piece

3 acres on New Suffolk Avenue with right of way to the water. Would sell the whole plot or would sell by the lot as you might want. Priced so that it could be profitably developed.

5 room bungalow with bath and all improvements. Screened porch, cellar under whole house. Large plot near the water at Cutchogue. Price right.

9 room house at Nassau Point. 5 bedrooms, living room, dining room, 2 kitchens, bath and lavatory. Two thirds acre land, garage, board walk to Peconic Bay with locker at the beach. Inspection invited.

4 room cottage at Goose Creek. 75 ft. on the water. 200 ft. in depth. Improvements. For sale or rent.

300 ft. on Peconic Bay. Large house on property. Can be sold in 100 ft. plots with good depth.

I have other pieces of property on my list. Let me know what you are looking for and I will try my best to help you.

The above properties are quoted with the understanding that prices may be changed or they may be taken off the market without notice.

SUMMER RENTALS

I have several good rentals on my list now but they will probably be rented by March 1st. If you are interested, get in touch with me soon.

WILT-PRUF

This is a plastic latex material which prevents water loss from the leaves of shrubs and evergreens. It can be used for Winter protection of evergreens and as a sticker for insecticides and fungicides.

We used WILT-PRUF on several plantings last season with excellent results. In early July during one of the hottest weeks of 1952, we did a setting of over 100 shrubs, all with tender new growth, with a loss of only two plants. The plants did not show any signs of wilting.

With the use of this material we can extend our planting season throughout the Summer at only slight extra cost. This will be of great help to those of you who have Summer homes and can't get to them for the Spring planting season.

Ask us about WILT-PRUF.

LANDSCAPING

If you want advice or help in landscaping your grounds, let us know and one of our staff will be glad to give you suggestions. Or, if you wish, lay out a plan for your entire setting.

FIREPLACE WOOD

We have a lot of nice wood 18 to 24 inches in length. Get in touch with us if you need any. Price on request. Call Peconic 6755.

PRICES — We have tried to keep our prices just as low as possible this year. Some items we have had to raise in price slightly, and others we have lowered. I am sure you will find our prices nearest to the price level of 10 years ago than anything else that you can buy today.
